Sanctioning Scheme

[illegible]

Letter no RD. Rlc 591/46 dated 24/47 from the RE forwarding a Scheme for the improvement of villages in the Anjanapur channel area

Subd.

1) An elaborate scheme for effecting improvement in the villages of the Anjanapur channel area, has been submitted by the Shimoga District, after consulting the District officers at a meeting held specially for the purpose. This involves a heavy expenditure under (1) DVC fund (2) D.W. wells funds (3) Assignments to VPS and (4) SCF, most apart from the cost in steel reed for account of the special staff to be employed for the execution of these works.

2) Particulars of amounts required are as follows :—

	No of works.	Cost
Village improvement works.	22. Sanctioned. 19 to be Sanctioned	Rs 40,000 /-
D W. wells.	22 works	Rs 50,000
DVC. Roads.	8 roads. Rs 1,72,000	Rs 1,72,000 /-
Ayacut roads	11 roads	Rs 62,900 /-
		5,24,900 /-

3) The details of works to be executed under the above are stated in the P.W.D.

As regards improvement works the amount required (viz Rs 40,000) cannot be provided out of the current years budget as the reserve under Assignments to VPs shows a balance of only about Rs 24,000/- and odd and proposals from the Shimoga dist for the grant of Rs 15,000/- has already been received and the bills has been submitted separately. It is also for consideration if a sum about the Rs 9,000 that may be available as balance out of the reserve be placed at the disposal of the DC Shimoga during the current year and the further requirements met during 47-48.

5) As regards Ghat roads, the amount required is 1.72 lakhs. It may not be necessary to meet the entire cost out of Ghat funds. A portion of it has to be met by the West Board in respect of certain roads at least. But the finances of the West Board may not admit of such heavy expenditure as it has a ten-year programme for Road Dev.

Having regard to the fact, that it is the policy of Govt to focalstate communications in the malnad parts, and nearly Rs 12 lakhs is available at the credit of the SVC fund as unspent balance, it is recommended that the scheme be accepted, and a balance of Rs 30,875 that has been kept as reserve out of the current years state budget of Rs 5 lakhs be allotted in addition to the assistance to the mogadi west as one addl grant

6) under DW wells, a sum of Rs 50,000/- is asked for. The outlay during the remaining part of the current fasli year can hardly be expected to be more than Rs 25,000 It is for orders if any addl grant that may be given under drinking water wells during the current year be ordered to be diverted only towards cost of DW wells in the villages of the channel area proposed by the DC, due preference being given to AK wells.

7) The details of staff required for these works are as under:-

(1) M Gvt roads — one Engineering Subron: with Gvt subordinates and clerical staff

2) Private roads — One Surveyor and 2 SOs

3) Well works and village surface-ment works — Two SOs

4) M Revenue alienation and VP supervision work — one R.I.

8) The Revenue Engr has not reported either regarding the cost involved or the period for which the above staff have to be employed As the total expected outlay is nearly 2.15 lakhs it is perhaps necessary that the staff Engineering and Revenue, plus lee employed for a period of ~~one year~~ 6 months in the 1st instance. The cost of the Engineering staff entrusted to work private roads being debited to Gvt funds, the pay of SOs & lee in charge of VP and well works being debited to Rys. funds and the pay of the RI to General Revenues - preferably to I Land Revenue

The staff required may be

limited to one Asst Engineer
4. S-D-S. and one R.D. The Asst
Engineer may be given three
peons and each of the SDS one
peon and the R.D one peon.
All these abovesaid may work in
the subdn. (Engineering) under
the control and guidance of the
Asst Engineer, subject to the
general control of the DE

9) As regards the clerical establish
ment, one typist clerk and
one accountant are necessary.
The pay of the Accountant may
be fixed at Rs60/- and of the typist
clerk at Rs 50/- The contingent
grant for the above may be
given. This may be fixed at
Rs 60 lumpsum subject to p.m.
The DE will spare furniture
temporarily and a typewriter
has to be supplied.

10) The C.E and the Rev. Branch may
perhaps be consulted re. staff
and provision of funds under GF
Financial concurrence is also
necessary

11) for orders

SECRETARIAT SECT. No 7843 12 MAY 1947 GOVT. OF MADRAS

12) It is too late to consider the sanctioning of an additional grant. Even if the scheme is sanctioned, the works cannot be taken up before the close of the year. The amounts required for the scheme will have to be met out of the provisions made in the next year's Budget under Grants for Public Improvements and the balance at the credit of Inter-village communication Fund. Regarding the staff, the minimum staff necessary may be entertained, the cost of such staff being debited to Rural Water Supply Fund, Inter-village Communication Fund or 30 Grants for Public Improvements as the case may be.

Revenue Secretary)
with compliments)

Subd.

13) The C.E. for Irrigation may also perhaps be consulted as officially re: the minimum staff required

from
19/5/47. 23/5/47

14) Forwarded with compliments to the Chief Engineer for Irrigation for kindly intimating the minimum staff that is considered necessary.

improvement of 64 villages in the Anjana river & Channel area.

No. 1120 9 B. 8-1 SW

15) The minimum establishment as proposed by the Revenue Commissioner would cost Rs.1,371 1/18 per month or nearly Rs.16,500/- annually as per Proposition statement enclosed.

17 Narasaraj 9/8/47 Cpt

Secretary to Government,
Revenue Department,
with compliments.

1/9/47

REVENUE SECRETARIAT 9/8 GOVERNMENT OF MYSORE

16) Sanctioned the expenditure involved on account of the scheme would be 3.25 lakhs on works, and the cost of establishment would be Rs 16,500 (Engineering) P.A. If the scheme has to be approved, the point for consideration is as to how the cost has to be met. Whether necessary provision may be made out of the lumpsum provision made in the State Budget under Assignments to V.P.S, DW wells (15 lakhs) (5 lakhs.) and D.V.C. Fund (6 lakhs.), and under what source the cost of establishment has to be met.

11/8/47

17) The 64 proposals in this letter by the Revenue for a scheme of improvement of the villages in the Anjanapur channel area are for perusal.

The expenditure involved is estimated at Rs 3,24,900/- excluding the establishment charges of Rs 16,500/- p.a as intimated by the C.E in his letter.

vide para 12 The proposals have been considered and the issues framed in the appeal in question might have been reviewed before for orders

1345/1314

new delhi 11/8/89

18) In view of the opinion expressed by the Fin. Secy & the Ch. Engr for Irrign at paras 12 & 15 supra, the proposals of the R.C. for the improvement of the villages in the Anjanapur Channel area may perhaps be sanctioned. The cost involved in this connection is estimated to be Rs 3,24,900/- plus Rs 16500/- for establishment charges.

Improvement of villages in Anjanapur channel areas.

The Finance Secy has indicated in his note referred to above the manner in which and the source from which this cost is to be met. Instructions will have to issue for employing minimum staff necessary. This is a Council subject. This is a Council matter. For orders

19) After the construction of the Anjanapur Reservoir and developing of irrigation to the extent of 12,000 acres, no attention whatsoever has been paid to the improvement of villages which are served by the reservoir. The result is that the villages are highly insanitary and unapproachable for want of proper roads and culverts. The whole area has become highly malarial and if proper steps are not taken, it may become depopulated with the consequence of the beautiful fertile lands lying fallow for want of people to cultivate, as has happened in some other parts of the District. I was touring in some of these villages in the middle of June of this year. Villages like Salur, Arasinagere, Hittala, Churchgundi and Kalmane which were once populous are already presenting a dull and desolate appearance. I am told that other villages like Sanyasikoppa and others on the other side of Shikaripur - Shimoga road are equally bad. Even from the point of view of the maintenance of law and order in this area, it is necessary to take up these works. During 1942 troubles, it was not possible for the authorities to rush help immediately. In these circumstances, the scheme for intensive development of the villages in the Anjanapur channel area drawn up by the Deputy Commissioner with the help of the officers of the Development Departments and recommended by

Draft Circulation Note.

Proposals for

Subject: Improvement of villages in the Anjanapur Channel Area.

The Revenue Commissioner has, ~~with his letter dated the 22nd April 1947 forwarded~~ submitted certain proposals for ~~effecting intensive improvement~~ improving the condition of villages in the Anjanapur Channel area. ~~The cost involved on this account is estimated to come up to Rs.3,24,900 as detailed in the margin~~ at an estimated cost of Rs 3,25,000 as detailed in the margin exclusive of establishment charges amounting to s.16,500/-

	Amount s.
Village Improvement Works	40,000
Drining Water Wells	50,000
I.V.C. Roads.	1,75,000
Atchakat Roads.	60,000
	3,25,000

The Finl. Secy, who was consulted in the matter has agreed to the expenditure being met partly out of the provision made in the current year's Budget under Grants for Public Improvements and partly out of the balance at the credit of Inter-Village communications Fund. He suggests that the minimum staff necessary may be entertained, and the cost of such staff being debited to the Rural Water Supply Fund, I.V.C., Fund or 30 Grants for Public Improvements as the case may be

When the papers were submitted to the Minister for P.W. & Agriculture, he has minuted as follows:-

"After the construction of the Anjanapur Reservoir and developing of irrigation to the extent of 12,000 acres, no attention whatsoever has been paid to the improvement of villages which are served by the reservoir. The result is that the villages are highly insanitary and unapproachable for want of proper roads and culverts. The whole area has become highly malarial and if proper steps are not taken, it may become depopulated with the consequence of the beautiful fertile lands lying fallow for want of people to cultivate, as has happened in some other parts of the District. I was touring in some of these villages in the middle of June of this year. Villages like Salur, Arasinagere Hittala, Churchgundi and Kalmane which were once populous are already presenting a dull and desolate appearance I am told that other villages like Sanyasikoppa and others on the other side of Shikaripur -Shimoga road are equally bad. Even from the point of view of the maintenance of law and order in this area, it is necessary to take up these works . During 1942 troubles, it was not possible for the authorities to rush help immediately. In these circumstances, the scheme for intensive development of the villages in the Anjanapur Channel area drawn up by the D.C. with the help of the officers of the Development Depts. and recommended by the R.C. may be sanctioned. The additional staff both on the Public Works side and also on the Revenue side may be sanctioned for a period of one year in the first instance."

The establishment charges on this account viz Rs 16,500/- will be proportionately debited to allotments re: "Assignments to V.Cs Drinking Water wells and I.V.C funds" respectively for the current year.

The Dewan has been pleased to order that the matter may be disposed of by circulation.

The scheme for intensive development of the villages in the Anjanapur channel area at an estimated cost of Rs 3,24,900/- plus Rs 16,500/- for establishment charges for consideration.

Extract from the Proceedings of the 92nd *Meeting of the Council of Ministers held at ~~Bangalore~~* Mysore *on* 22nd October, *1947*

SUBJECT:-

Proposals for the improvement of villages in Anjanapur Channel area at an estimated cost of Rs. 3.25 lakhs.

OPINION OF THE COUNCIL.

Council approves the proposal.

(Sd) A. RAMASWAMI MUDALIAR.
Dewan of Mysore.

"EXTRACT"

Chief Secretary to Government.

Submitted to His Highness. 7

The accompanying papers relate to the proposals for the improvement of villages in the Anjanapur Channel Area.

The Revenue Commissioner has submitted certain proposals for improving the

(1). Village Improvement Works	- Rs. 40,000	condition of the villages in the
(2) Drinking Water Wells	- 50,000	
(3) Inter Village Communication roads	1,72,000	Anjanapur Channel Area at an
(4) Atchkat roads	- 63,000	
		estimated cost of Rs.3,25,000/-

as detailed in the margin.

The Minister for Agriculture and Public Works has in this connection minuted as under:-

"After the construction of the Anjanapur Reservoir and developing of irrigation to the extent of 12,000 acres, no attention whatsoever has been paid to the improvement of villages which are served by the reservoir. The result is that the villages are highly insanitary and unapproachable for want of proper roads and culverts. The whole area has become highly malarial and if proper steps are not taken, it may become depopulated with the consequence of the beautiful fertile lands lying fallow for want of people to cultivate, as has happened in some other parts of the District. I was touring in some of these villages in the middle of June of this year. Villages like Salur, Arasinagere, Hittala, Churchgundi and Kalmane which were once populous are already presenting a dull and desolate appearance. I am told that other villages like Sanyasikoppa and others on the other side of Shikaripur - Shimoga road are equally bad. Even from the point of view of the maintenance of law and order in this area, it is necessary to take up these works. During 1942 troubles, it was not possible for the authorities to rush help immediately. In these circumstances, the scheme for intensive development of the villages in the Anjanapur channel area drawn up by the Deputy Commissioner with the help of the officers of the Development Departments and recommended by the Revenue Commissioner may be sanctioned. The additional staff both on the Public Works side and also on the Revenue side may be sanctioned for a period of one year in the first instance."

The proposals for the improvement of villages in Anjanapur Channel Area at an estimated cost of Rs.3.25 lakhs were considered at a meeting of Council held on 22nd October 1947 and approved.

I solicit the gracious approval of His Highness to the same.

(17) U.P. 54-46-1 2 64 17

RD. R2. C.591/46-47. OFFICE OF THE REVENUE COMMISSIONER IN MYSORE.

Bangalore, Dated, April, 22, 1947.

FROM

S. NARAYANA RAO ESQ., M. A. (Hons)
Revenue Commissioner in Mysore, Bangalore.

To

H.N. PALLEGAR ESQ., M. A., LL. B.,
Secretary to Government, Revenue Department,
BANGALORE.

SIR,

Re: Improvement of villages in the Anjanapur Channel area.

I have the honour to forward herewith a copy of letter no. RD. 101/46-47 dated 7th April 1947, from the Deputy Commissioner, Shimoga District, forwarding proposals regarding the Anjanapur Regional Development Scheme, and to state that he has made the following proposals

1. That a sum of Rs 40,000/- be sanctioned for village improvement works such as formation of approach roads, metalling bad portions of roads, construction of drains etc., under " Assignments to Village Panchayats'

2. That an additional grant of Rs 50,000/- be sanctioned exclusively for works in the Anjanapur Channel area for sinking 22 Drinking Water Wells " Under Drinking Water Wells Fund".

3) That a sum of Rs 1,72,000/- be sanctioned for the formation of Inter-Village Roads under the " Inter Village Communications ~~Scheme~~", and,

4. That a further grant of Rs 63,000/- be sanctioned for the formation of certain achkat roads under the I.C. F. or other special grants.

Against these proposals, only the following amounts are available under the different heads:-

1. Under Assignments to Village Panchayats:-
   a) General Reserve - Rs 3,788/-
   b) Special Reserve - Rs 60,970/-

2. Under Drinking Water Wells, no funds are available.

Government have been addressed separately for the sanction of an additional grant of Rs 3.55 lakhs under this head.

3) A sum of Rs 30,875/- is available under the "Inter-Village Communications Fund.

The Deputy Commissioner recommends that the work of executing the road works be entrusted to the Public Works Department, and an additional staff of one Sub Division with six subordinates and oth clerical establishment be sanctioned, as suggested by the Executiv Engineer, Shimoga Division.

In regard to the formation of atchkat roads, the Deputy Commissioner, suggests the appointment of an additional staff of one Surveyor and two sub-overseers.

The Deputy Commissioner, further reports that there are a number of acquisition cases and alienation cases to be taken up and that in order to attend to these as well as other items of works such as organizing Monday labour, improving the standard of village panchayat administration, carrying out improvement works and sinking of wells, he suggests the appointment of one Revenue Inspector and two Sub Overseers exclusively in this behalf.

I request that the proposals of the Deputy Commissioner both in regard to the sanction of additional grants for the execution of the several works as indicated in his letter, and appointment of additional staff may kindly be approved and orders of Government communicated at an early date.

I have the honour to be,
Sir,
Your most obedient servant,

Sd/ Nanjundiah

REVENUE COMMISSIONER.

Copy of letter no. R. D.101/46-47 dated 7th April 1947, from the Deputy Commissioner, Shimoga District to the Revenue Commissioner in Mysore:-

Subject: Anjanapur Regional Development Scheme.

I have the honour to state that the condition of the villages in the Anjanapur Channel area, having been observed to be very badly in need of attention, it was decided to take up the work of improving them on systematic lines. I accordingly directed the District Development Officer to tour the area with a few ~~sikar~~ of the other District Officers and submit proposals in this connection. He put up a draft programme under several heads. They were further investigated by the Officers of the respective departments and a meeting of the District ~~Offi~~ Officers was held in my chambers on 20.3.1947. I am enclosing herewith for your kind perusal a copy of the proceedings together with a copy of the District Development Officer's note on the subject.

Village Improvements:- Regarding Village Improvement works such a formation of approach roads, metalling bad portion of roads, construction of drains etc., 21 works estimated to cost Rs21,200/- have been sanctioned. An additional grant of Rs 18,590/- is required to sanction the remaining 19 works. A recommendation to the Revenue Commissioner has been made with this Office letter no. M7. C.804/46-47 dated 30.3.1947, for sanctioning a grant of Rs 40,000/- to meet the cost of these works as well as some others relating to the first set of selected hoblis in this District. This may kindly be sanctioned.

Drinking Water Wells:- Re: Drinking Water facilities, it is proposed to sink 22 wells estimated to cost about Rs 50,000/- (out of which 8 are since sanctioned.). As the grant under Rural Water Suppl sanctioned during the current year is inadequate, an additional gran of Rs 50,000/- exclusively for works in the Anjanapur Channel may be kindly sanctioned.

Inter-Village Communications roads:- With regard to Inter-Village Communication roads, it is proposed to form the marginally noted roads at a total estimated cost of Rs1,72,000/- and to entrust them t the P.W.D. for execution. Sanction of Government may therefore be kindly obtained in this behalf, and also for entertaining the marginally noted additional staff as suggested by the Executive Engineer.

Certain Atchkat roads in the tract as noted in the margin are proposed to be formed at an estimated cost of Rs 61,900/- Sanction of Government may kindly be obtained to the grant of Rs 63,000/- and to entertain an additional staff of one Surveyor and two Sub Overseers. I suggest that the cost may be met out of I.C. F or other special Grants.

Additional Staff to be employed by the Revenue Department:-

There are a no. of acquisition and alienation cases to be taken u In order to attend to these as well as other ~~item~~ of work such as organizing Monday Labour, improving the standard of administration of Village Panchayats etc.,one Revenue Inspector is necessary. To carry out the improvement works and wells to the extent of over one lakh of rupees by Revenue Agency, an additional staff of two Overseers is also required. I request that sanction of Government may kindly be obtained to the said additional staff, viz., one Revenue Inspector and two overseers

Marginally noted items referred to above:-

1. Choradi to Kalmane road. Rs60,000/-
2. Arsangere Salur road to be metalled and improved. 24,000/-
3. Chikkajogihalli to Issur Culverts metal-

3.(contd) metalling and embankment. Rs 10,000/
4. Metalling road from Issoor to river edge. 4,000/

5. Chikkajogihalli - Shimoga Sorab - Sirasi road to be metalled. 18,000/-

6. Channahalli to Shikaripur road to be improved. 12,000/-

7. Nelavagalu to Gaddanakoppa, Mygalgere, Nimbegundi, Mattikote and Masur road to be metalled. 42,000/-

8. Approach road to Begur to be improved. 6,000/-

Total Rs 1,72,000/-

Additional Staff: One Sub Division with six subordinates and other clerical establishment.

Atchkat roads.

1 Forming and metalling the roads from Kalmane to 2nd mile channel road including one causeway. Rs4,000/-

2. Forming and metalling the road from Arasinagere to Jalekatteyeri. 6,000/-

3. Improving and metalling channel road from Hitla to Arasinagere. 12,000/-

4. Forming and metalling the road from Churchgundi to Hitla. 4,000/-

5. Forming and metalling road from Sanyasikoppa to Churchgundi including one causeway. Rs3,000/-

6. Metalling road from Churchgundi Arasinagere up to river. 8,000/-

Total 37,000/-

7. Chikkajogihalli to Gama. 6,000/-

8. Culverts to all Channels across approach road. 900/-

9. Metalling the road from Hitla to Malatikoppa tank 5,000/-

10. Forming and metalling the road from Hitla to Isoor up to river including culverts. 10,000/-

11. Forming and metalling roads from Hitla to Voddinakote 4,000/-

Rs 62,900/-

MR. N. S. HIRANNAYYA, M.A.,
Deputy Commissioner.

OFFICE OF THE DEPUTY COMMISSIONER,
SHIMOGA DISTRICT.

Dated Shimoga, 19th April *194 7.*

8697

Dear Sir,

I am recieving a number of communications from Government forwarding extracts from the Diary of the District Development Officer, Shimoga, to me to take action on these notes. I write to state in this connection that the District Development Officer is my assistant on the development side and it embarasses me to recieve extracts from his diary for further necessary action. As a matter of fact, it is the duty of the District Development Officer to take orders from me on all the points which he thinks ~~requires~~ action is necessary or, in case ~~if~~ it is within his competence, to take action himself to get on with the items of work which are considered necessary. I may therefore presume that action is taken by the District Development Officer himself on all the points, extracts for which are sent to me. I shall not have the least objection however to submit to Government information which they may consider necessary on any special points.

I am submitting again that it may not be probably necessary to send to me for action, extracts from the Diary of an officer who directly working under me. He is quite competent to take action on all these points himself on my behalf.

Yours sincerely,

H. N. Pallegar, Esq., M.A.,LL.B.,
Secretary to Government,
Revenue Department, Bangalore.

copy

Dear Sir,

I am directed to refer
with reference to your
D.O. No-CC163146 dated 19th
April 1947, stating that
it 'embarrasses' you to receive
enquiries from the diaries
of the W.D. for necessary
action, as the
W.D. is only your Assistant,
and it is presumed that
action is being taken by
the W.D. himself. I am
directed to point out
that the diaries
are sent
to you
for your
information
only, and
not for
action.

I am, therefore, to request you kindly to make yourself clear about the alternatives you have in respect of the communications sent to you and that the embarrassment was.

It was the intention of Govt to draw particular attention

to certain items of important
works to be attended to in
the ~~channel~~ villages of
the Jawahar channel area
and in the absence of separate
proposals having made by you
at the time of the
visit of letter to you (referred to
in your letter, under reference)
reference was made to you to
take further necessary action
in the several items, as the
you are in charge of the western
and responsible for ~~the~~ expediting.
matters. It is surprising
that the communications
are misinterpreted deliberately.

I am ~~therefore~~ to request
you to kindly ~~place a clear~~ elucidate clearly
~~knowledge of the~~ objections
you have in respect of the ~~communications~~ sent to you

Yours.

Yours sincerely

of the accompanying papers
relates to the proposals for
the improvement of villages
in the Anjanapur Channel
area

The Revn. Govt. has submitted
certain proposals for improving
the condition of the villages
in the Anjanapur Channel
area at an estimated cost
of Rs 3.25,000 as detailed
in the margin.

(1) village Improvement works: Rs 40,000/-
(2) Drinking Water Wells : Rs 50,000/-
(3) Inter village communication
Roads .. Rs 1,72,000/-
(4) Mechkat Roads ... Rs 63,000/-

~~Rs 3.25,000 as detailed~~
~~in the margin.~~

~~Rs 3.25,000 as detailed~~
~~in the margin.~~

~~Rs 3.25,000 as detailed~~
~~in the margin.~~

the whole area has become highly malarial and if proper steps are not taken at this stage it may become a deserted uninhabited area. Consequently the very fertile lands lying fallow for want of people to cultivate, as has happened in some other parts of the District. Fevers starting in some of these villages in the middle of June of this year. Villages like Salebail Kammagere, Hittala, Channegiranahalli and Kalenahalli which were once populous are already presenting a dull and desolate appearance. Even bold beat in other villages like Sangasandra and others on the side of Shikaripura-Shimoga road are equally bad. Even from the point of view of the maintenance of law and order in this area, it is necessary to take up these works during 1942 famine

troubles it was not possible for the authorities to render help immediately. In these circumstances, the scheme for intensive development of the villages in the Anjanapur Channel Area drawn by the Dy. Comr with the help of the officers of the Development Departments and recommended by the Revenue may be sanctioned. The additional staff both on the P.W. side and also on the Rev. side may be sanctioned for a period of one year in the first instance".

The proposals for the improvement of villages in Anjanapur Channel Area at an estimated cost of Rs 3.25 lakhs were considered at a meeting of Council held on 22/10/47 and approved.

I solicit the gracious approval of H.H. to the same.

File No. 54-46

Serial No. 2.

Proceedings of the Government of His Highness the Maharaja of Mysore.

Read—Correspondence ending with letter No.R.D.R.4.C. 591/46-47 dated the 14th August 1947 from the Revenue Commissioner in Mysore, requesting sanction ~~of Govt.~~ to a scheme for effecting intensive improvements in the villages in the Anjanapur Channel Area, Shimoga Dist.

2.U.O.No.1120 dated 9-8-1947 from the Chief Engineer for Roads and Buildings in the matter.

Order thereon.—No. : LB 2386-92 28/1/48

It is reported that after the construction of the Anjanapur Reservoir and developing of irrigation to the extent of 12,000 acres, adequate attention has not been paid to the villages served by the reservoir with the result that the villages have become insanitary, highly malarial and unapproachable and that, if proper steps are not taken, the villages may become depopulated and the fertile lands in the area may lie fallow for want

of people to cultivate them.

A scheme for intensive improvement in the villages has accordingly been submitted to Govt by the Revenue Commissioner and sanction is sought for the allotment of a sum of Rs 3,25,000/- as detailed in the margin*, with necessary special staff for the execution of the works.

*
1. Village Improvement works	Rs 40,000
2. Drinking Water Wells	Rs 30,000
3. I.V.C. Roads	Rs1,72,000
4. Atchkat Roads	Rs 63,000

3) Govt consider that there is great need for effecting intensive improvement in the villages in the Anjanapur Channel area. They are accordingly pleased to sanction the scheme and direct that the staff detailed in the statement appended hereto be employed temporarily for a period of one year for the execution of the several works.

4) The following amounts are placed at the disposal of the Deputy Commissioner, Shimoga District:-

Items	Amount	Source.
Inter Village Roads Atchkat Roads	Rs 1,72,000 Rs 63,000	Out of the unspent Balance at the credit of the I.V.C.Funds of the State
Village Improvement Works	Rs 40,000	Out of the provision of Rs 5 lakhs made in the State Budget for Rural Reconstruction in the Post-War Pland
Drinking Water Wells	Rs 40,000	The balance available out of the reserve of Rs 70,000 under the Drinking Water Wells in the State Budget for 47-48.

List of Enclosure

5) The expenditure involved on account of the employment of the Engineering Staff may be debited to the I.V.C.Funds and that of the Revenue Staff to the provision of Rs 5 lakhs made for Rural Reconstruction under 'the Post-War Plans' in the State Budget for 47-48.

6) The Chief Engineer for Irrigation is requested to intimate, in consultation with the Revenue Commissioner, the amount that has to be provided for in the State Budget for 48-49 on account of the staff and the source from which the same has to be met.

Copied by

Examined by

7) Necessary action may be taken to put the works on hand, and to send quarterly progress reports sent to Govt.

Correspondence ending with letter No. RDR. 4. C-591—46-47, dated the 14th August 1947, from the Revenue Commissioner in Mysore, Bangalore, requesting sanction to a scheme for effecting intensive improvements in the villages in the Anjanapur Channel area, Shimoga District.

2. Unofficial Note No. 1120, dated 9th August 1947, from the Chief Engineer for Roads and Buildings in Mysore, Bangalore, in the matter.

ORDER No. L. B. 2386-92—V. P. 54-46-2, DATED BANGALORE, THE 28TH JANUARY—10TH FEBRUARY 1948.

It is reported that, after the construction of the Anjanapur Reservoir and developing of irrigation to the extent of 12,000 acres, adequate attention has not been paid to the villages served by the reservoir, with the result that the villages have become insanitary, highly malarial and unapproachable for want of roads and that, if proper steps are not taken, the villages may become depopulated and the fertile lands in the area may lie fallow for want of people to cultivate them.

2. A scheme for intensive improvement in the villages has accordingly been submitted to Government by the Revenue Commissioner and sanction is sought for the allotment of a sum of Rs. 3,25,000, as detailed in the margin* with the necessary special staff for the execution of the works.

	Rs.
*1. Village Improvement Works	40,000
2. Drinking Water Wells ...	50,000
3. Inter-village communication roads.	1,72,000
4. Atchkat roads ...	63,000
Total ...	3,25,000

3. Government consider that there is great need for effecting intensive improvement in the villages in the Anjanapur Channel area. They are accordingly pleased to sanction the scheme and direct that the staff detailed in the statement appended hereto be employed temporarily for a period of one year for the execution of the several works.

4. The following amounts are placed at the disposal of the Deputy Commissioner, Shimoga District :—

Items	*Amount* Rs.	*Source*
Inter-village communication roads.	1,72,000	Out of the unspent balance at the credit of the Inter-Village Communication funds of the State.
Atchkat roads ...	63,000	
Village improvement works...	40,000	Out of the provision of Rs. 5 lakhs made in the State Budget for Rural Reconstruction in the Post-War Plans.
Drinking Water Wells ...	40,000	The balance available out of the reserve of Rs. 70,000 under the "Drinking Water Wells" in the State Budget for 1947-48.

5. The expenditure involved on account of the employment of the Engineering staff may be debited to the Inter-Village Communication Funds and that of the Revenue Staff to the provision of rupees five lakhs made for Rural Reconstruction under the " Post-War Plans " in the State Budget for 1947-48.

No. L. B. 2386-92—V. P. 54-46-2, DATED 28TH JANUARY—10TH FEBRUARY 1948.

6. The Chief Engineer for Irrigation is requested to intimate, in consultation with the Revenue Commissioner, the amount that has to be provided for in the State Budget for 1948-49 on account of the staff and the source from which the same has to be met.

7. Necessary action may be taken to put the works on hand and to send quarterly reports to Government.

SYED ABDUL ALEEM,
Secretary to Government,
